## Signature Series

### SECURE COLLECTION CONSOLE

"Based on objective measures and when compared to ergonomic design/usability guidelines, the preferred console is the All Source DuraFlex executive console." – Humantech\*

#### SECURE

- Self closing lock – provides added security as the door locks automatically
- Tamper proof lock guard
- Anti phishing paper deflector

#### EFFICIENT

- Self closing lock – allows for quicker collection times as the door can just be shut before moving on
- 180° nylon hinge allows the door to be out of the way while emptying, this also helps in the life span of the console as it does not damage the melamine
- Nylon hooks allow for easier collection without harm of metal hooks

#### CONVENIENT

- Lightweight design allows for easy deployment and removals
- Elegant finish is a compliment to any office decor

The DuraFlex Signature Series secure collection console meets the most stringent US Legislation (CARBII).

*\*For over 30 years, global companies have relied on Humantech for workplace improvements. They have the largest consulting team of Board Certified Professional Ergonomists on staff.*
