

The PDC

PERSONAL DOCUMENT CONTAINER

The 9 Gallon Personal Document Container (PDC) is designed to fit beside or under a desk to secure sensitive documents at arms reach. It has a holding capacity of up to 30 lbs and is perfect for deskside collection.

SECURITY

- Tamper proof lid for confidential disposal of documents

FLEXIBILITY

- Designed for deskside document collection
- Eliminates lazy tosses of confidential documents
- Body designed to guide paper into a stack maximizing the container's capacity
- No bag required

EFFICIENCY

- Lightweight design and grips on both ends allow for easy emptying
- Lid is completely removable so it doesn't get in the way during the collection process
- Ideal for large volume collection where high frequency is required and/or where space is limited, such as hospitals, large offices, banks, etc.

Lightweight design and grips on both ends allow for easy emptying

Compact size allows container to fit under desk, ensuring all paper is collected

Sturdy lid and lock makes tampering nearly impossible

One key solution for faster collection
