

BADGES, CART STAMPING, AND IN MOLD LABELING

Branding your containers makes it easy and convenient for your customers to contact you when it's time for collection. Companies with high turnover or infrequent collection often lose track of who collects their documents for destruction. With your company contact information on every product, it will be easy for customers to contact you when it's time for collection.

ID BADGE STAMP Features:

- Single color labeling.
- Attaches to a console or a cart
- Single color durable "hot stamp"
- Most logo designs can be stamped
- Spreads brand awareness

CART HOT STAMPING Features:

- Single color labeling.
- Permanent colored branding, can not be rubbed or scraped off.
- Makes your products instantly recognizable and identifiable.
- Increases brand recognition.

IML Features:

- Full color labeling.
- Permanent colored branding, can not be rubbed or scraped off.
- Makes your products instantly recognizable and identifiable.
- Increases brand recognition.
