

ERGONOMIC RIGID INSERT

Designed for use with the Ergo Duraflex console, the Joint Commission Compliant insert makes emptying consoles effective and efficient, requiring just 35% the collection time vs traditional consoles.

FEATURES:

- Multi-directional – cannot put in console backwards
- Easier to handle than traditional console bag with an evenly balanced grip
- No bending required for collection
- Lip rests on card for easy emptying

ALL-IN-ONE BAG

ALL-IN-ONE AND ONE FOR ALL!

This bag is designed to last longer and fit all North American consoles.

FEATURES:

- 9 grommets for maximum compatibility. The All-in-One bag was designed to be compatible with all North American made consoles
- Made from a heavy duty polyester fabric
- Equipped with a bottom handle to aid in emptying
- Equipped with a drawstring to ensure a tight fit, and seal the bag when in transport
