

# DESKSIDE SERIES SHREDINATOR

## SECURE DESKSIDE COLLECTION CONTAINERS

As a procurement officer or an employee trying to source a compliant container – the task to find the right container for your needs and regulations can be overwhelming. At All Source, we have designed and sourced products to help you make an informed decision.

Our top selling Shredinator secure deskside collection container is the number one choice for hospitals and medical facilities. The Shredinator is offered in 3 different heights and fits nicely under desk next to each workstation. Prevent the lazy toss into the recycle bin and have a secure Shredinator at each work station for complete compliance!
