

32 GALLON SECURE COLLECTION CART

The Defender 32 brings the convenience of mobility to a small collection container. Serving as an excellent overflow container, or for temporary use, the small size makes it easy to move around and store. With a capacity of under 32 gallons and quiet non marking rubber wheels, this cart is Joint Commission Compliant and non-disruptive, making it perfect for use in hospitals and medical facilities. Despite the smaller size, this cart is a Defender from lid to wheel, with the superior strength, and durability you expect.
